WOMAN'S BEST FRIEND,

So Say Thousands of Thankful Women all Over the United States.

Miss Ruth Emerson.

A Beautiful Society Lady of Buffalo, N. Y., Uses Peruna.

Miss Ruth Emerson, 75 Sycamore street, Buffalo, N. Y., writes:

"I suffered for two years with irregular and painful menstruation, and Peruna cured me within six weeks. I cannot tell you how grateful I feel. Any agency which brings health and strength to the afflicted is always a welcome friend, and today the market is so filled with useless and injurious medicines that it is a pleasure to know of so reliable a remedy as you place before the public."—Miss Ruth Emerson.

"My brother was cured of Bright's disease from the use of Peruna, and so I determined to try it for my trouble.
"Imagine my great joy when I found that it relieved me quite a bit the first month and I was entirely without pain during that period after having used Peruna only four months.

"This is about two years ago and all during that time I have suffered no pain. I can now come and go as I like and consider Peruna woman's best friend and wish that every suffering woman might know that she can find relief through the use of this medicine."—Mrs. Jennie Rose.

It is no longer a question as to whether Peruna can be relied on to cure all such cases. During the many years in which Peruna has been put to test in all forms and stages of acute and chronic catarrh no one year has put this remedy to greater test than the past year.

Peruna is the acknowledged catarrh remedy of the age. Dr. Hartman, the compounder of Peruna, has written a book on the phases of catarrh peculiar to women, entitled, "Health and Beauty." It will be sent free to any address by The Peruna Medicine Co., Columbus, Ohio. Modern science has shown that catarrh of the female organs is the cause of many of the diseases of women, and the use of Peruna, a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

IMPOSSIBLE

LEAGUE WILL NOT UNITE WITH CHRISTIAN ENDEAVOR.

Denominational Young People's Societies Have Come to Stay.
Detroit, Mich., July 11.—Dr. J. B. Berry of Chicago, general secretary of the Epworth League of the M. E. church held the following to say tonight in regard to the movement said to have been proposed at the Christian Endeavor convention at Denver to amalgamate the Epworth League, the Christian Endeavor society and the Baptist Young People's Union into one organization.

"The day when there was any doubt about the advisability of a denominational union of young people's societies is past. The marvelous success of the Baptist Young People's Union and the Epworth League has demonstrated the fact that the distinctively denominational society has come to stay. We of the Epworth League believe in Christian unity, but not in organic union. The denominational young people's society, it seems to us, is as natural as a denominational church or Sunday school.

"The Methodist and Baptist denominations would never consent to have their young people furnished with literature by outside persons. We have doctrine and a policy for which we stand, and the Epworth League is a part of the life of the denomination.
"All talk of the Epworth League going into organic union with a young people's society is talk about an utter impossibility."
